RE: Gaming Partners International USA, Inc. and Resorts Casino Hotel Petition #0961203  
- Approval for Paulson Chip, \$25.00 value gaming, Dennis Gomes Memorial Chip.

Dear Mr. Moles:

The staff of the Division of Gaming Enforcement's (Division's) Regulatory Enforcement Bureau has reviewed the sample set of value gaming chips manufactured by Gaming Partners International USA, Inc. received in this office on May 1, 2012. Specifically Resorts Casino Hotel (Resorts) is seeking an approval of a \$25.00 value gaming - Dennis Gomes Memorial chip.

A review of Petition #0961203 and its exhibits included: schematic design information showing front, back and edge design features of the value gaming chip; primary and secondary color information; specifications as to the chip inlay; diameter, thickness, and mass; permanent casino name "Resorts Casino Hotel" located on the front and back of the chip; value on both front and back of the chip; and information as to graphics and other measures designed to prevent counterfeiting of each value gaming chip. The Division's review found these items to be acceptable.
